III. ADJOURNMENT

BUDGET ISSUE ELEMENTS – FISCAL YEAR 2004

DIVISION: Criminal Justice Support
BUREAU: Fingerprint Identification
SUB-PROGRAM: AZ Board of Fingerprinting
CONTACT PERSON: Sally A. Loveland
TELEPHONE #: extension 2809

Narrative:

The Arizona Board of Fingerprinting has been under-funded since its inception. The department provided additional money to fund the Board in FY 2000, FY 2001 and again in FY 2002. In FY 2000, the Board was authorized two FTEs but operated with only one FTE due to budget constraints. Additional responsibilities were legislated for FY 2001 and a third FTE was authorized, but not the funds to support operations.

The Board received 1,669 appeals in FY 2001 and 2,104 appeals in FY 2002. In spite of the efficiency improvements made by utilizing technology advancements and by lowering the standards for expedited reviews of appeals, it still takes an estimated five hours to process a good cause exception appeal from request to resolution. The current demand for good cause exceptions would require seven employees. However, it is assumed that legislation will be introduced in FY 2003 to place time limits on certain offenses and that this will reduce the number of applicants. No one is exactly sure how many applicants will be eliminated but one guess is that it could be equal to the number of expedited reviews heard last year. At the same time, it is expected that the addition of the Charter School teachers to the program will add at least another 200 appeals. Using these assumptions, $(620 \text{ expedited divided by } 1476 \text{ closed files} = 42\%; 2104 \text{ appeals received} \times 42\% = 884; 2104 + 200 = 2304 - 884 = 1420 \text{ appeals in FY 2003})$ the Board would still need at least five employees in FY 2003.

The creation of a web site that would provide information regarding the appeal process and allow applicants to download applications would reduce the number of telephone calls to the Board office as well as reduce the turn around time to receive an appeal application. At the same time, upgrading one FTE to an Administrative Services Officer would allow staff to keep up with appeals, comply with the State's Rulemaking procedures, train new employees and Board members, and complete other administrative duties.

The FY 2003 budget funded three of the FTEs for a partial year. The FY 2004 budget request includes full personal services funding for all five FTEs, the upgrade of one FTE to an Administrative Services Officer (maximum \$500 increase), increases in leasing and risk management costs, and the costs to develop and maintain a web site.

AGENDA ITEM NO. I. A.

BOARD OF FINGERPRINTING MEETING DATE: September 6, 2002

SUBJECT: Consideration of Possible Legislation to Support in the Next Legislative Session

SUBMITTED BY: Mr. LeHew

BACKGROUND INFORMATION:

The Board has been under-funded since its inception. With the financial difficulties facing the state, it appears unlikely that the Legislature will be able to adequately fund the Board through appropriations any time in the near future.

Legislation proposed (and not passed) in FY2002 will be reintroduced during the FY2003 session. This legislation authorizes the Board to establish a fee to support Board operations; authorizes the Department of Public Safety to collect the fee during the clearance card application process and deposit the funds into the Board of Fingerprinting fund; and makes the Board of Fingerprinting fund exempt from the provisions of Section 35-190 relating to lapsing appropriations.

Attached are copies of the Board's existing legislation and the proposed changes.

Other legislation that the Board may wish to support includes any limiting time frames that the agencies may place on precluding offenses; the inclusion of all preparatory offenses as precluding offenses; and the denial of any person who is a known sex offender, whether or not they have a corresponding precluding offense on their record.
